DOUBLE SIDED ADHESIVE MOUNTING TAPE

WITH TOKE LAYER

Transparent, double-sided adhesive tape for clean, repeated mounting on smooth surfaces.

One side of the tape is coated with permanent acrylic adhesive that binds with the object (eg. document, graphic, PVC foam board signs or shapes). The other side is coated with an innovative adhesive TOKE layer that allows clean, repeated mounting on glass, plexiglass, furniture, walls or other flat surfaces.

Adhesive layers are protected with a silicone paper release liners.

The product is available in $0.98 \times 25m$ and $0.98 \times 50m$ rolls – we can cut tape widths according to client specification to a minimum of 4 mm.
